

# ECMAScript features by version 2015 -> 2021 🎉

Source: [https://www.goconqr.com/c/64835/course\\_modules/108563-es6-next-generation-javascript](https://www.goconqr.com/c/64835/course_modules/108563-es6-next-generation-javascript)

## AGENDA

1. TC39 - Technical Committee 39
2. ECMAScript 2016
3. ECMAScript 2017
4. ECMAScript 2018
5. ECMAScript 2019
6. ECMAScript 2020
7. ECMAScript 2021

## Overview

Ecma International is a **nonprofit standards organization** for information and communication systems

Tham khảo: [https://en.wikipedia.org/wiki/Ecma\\_International](https://en.wikipedia.org/wiki/Ecma_International)

### Standards

#	Name	Desc
1	ECMA-262	ECMAScript Language Specification (based on JavaScript)
2	ECMA-402	ECMAScript Internationalization API Specification
3	ECMA-404	JSON

### Committees

#	Name	Desc
1	<b>TC39 - Technical Committee 39</b>	responsible for <b>ECMAScript</b>
2	TC45 - Technical Committee 45	responsible for Office Open XML
3	TC53 - Technical Committee 53	responsible for ECMAScript Modules for Embedded Systems

## TC39

#	Name	Note
1	Responsibilities	<a href="#">read</a>
2	Meeting	every two months, mostly in U.S
3	Release	yearly in June
4	Version	ES6 ... ES2020, ES2021, ...

## TC39 Process

Stage	Name	What
Stage 0	strawman	represents an initial idea for addition or change to the specification
Stage 1	proposal	is a formal proposal describing a problem and suggesting a proper solution
Stage 2	draft	is an initial draft of the proposal specification
Stage 3	candidate	represents the draft when it's almost final but ready for last feedback
Stage 4	finished	completely ready and included within the next edition
